### CLEARINGHOUSE RULE 05-103

#### Comments

**[NOTE: All citations to “Manual” in the comments below are to the Administrative Rules Procedures Manual, prepared by the Revisor of Statutes Bureau and the Legislative Council Staff, dated January 2005.]**

#### **2. Form, Style and Placement in Administrative Code**

Section 1.02 (2), Manual, lists 12 headings for categories of information that should be included in the summary that precedes the rule in order to comply with relevant statutory requirements, including requirements imposed by 2003 Wisconsin Acts 118 and 145. Information in the rule summary should be broken out by category of information and placed under the appropriate heading. While several of the headings may not be applicable, they should still be listed and their nonapplicability should be indicated.
